

## HAPPY SCRAPPER MEMBERSHIP

### MISSION STATEMENT

The Happy Scrapper Bee was organized for the purpose of having good quality control and workmanship within our group. It is within this mission statement that we would like for our new members to understand that we are emphasizing:

1. Use only 100% cotton fabric.
2. All fabric used in a project should be washed.
3. Sew using accurate  $\frac{1}{4}$ " seams and good quality stitch length.
4. All blocks should be ironed before turning in.
5. Blocks will be turned in on time. (if you are unable to attend the designated meeting, please get your blocks to a member who will be attending).
6. Blocks for exchange should be pinned or bagged including a label with your name and total number of block sets.
7. Each member is responsible for measuring each of your blocks for accuracy before turning into the exchange captain.
8. The exchange captain will spot check blocks and any problems will be returned to the maker. (Please do not think of this as anything other than a learning experience.)
9. All projects must stay within the scrappy stash.

### GUIDELINES

1. Membership is limited to 30 members.
2. **Members must be a member of the Golden Triangle Quilt Guild.**
3. Membership dues are \$10 yearly. Due at the January meeting.
4. Each member must participate in a minimum of at least one (1) project and one (1) exchange per year. You may participate in all or as few as you wish but a minimum of one of each task.
5. Monthly meetings are held on the second Saturday of each month beginning at 10 a.m.
6. Each member is expected to host a meeting.
7. Meeting sites are determined by the hostess.
8. The December meeting will be the Christmas Party.

### Projects or Exchanges:

1. At the January meeting Members bring suggestions for the year on blocks exchanges.
2. Members attending will decide on the projects and exchanges.
3. The member presenting the block for exchange will be responsible for writing the instructions and presenting the criteria for the exchange.
