Happy Scrappers

We had a nice meeting at Helens, thank you to her, Tammie and Dawn. Was a small group, but we stayed around after lunch and visited until almost 3. I didn't really want to leave. She always makes us feel so welcome in her studio. On to Bee Business.

1. This months meeting will be Hosted by Laura Stelly and Cathy Lempa at the Miller Library in Beaumont. If you need directions, please contact me go to the website. Bring a covered dish to share. Meeting time 10-3. Bring machine for a sew on your own project day.

2. I have some items that you ladies have ordered. Border book, project boxes, and sewline glue pens. Deb, by the time I shipped this book to you, it would be back up at regular cost. Let me know if you cant find it, I certainly will drop one in the mail to you.

3. Helen had proposed that the Happy Scrappers do another donation for the auction. She was going to get each member to make ONE block of a pattern. She is re-working the original pattern, and should have information for us at the meeting. Also the happy scrappers a few years ago made some BLUE AND WHITE quilts to donate to the auctions, we held on to the second one (it was not quilted), and I thought I had given it to the community service (with the scrappers permission of course), but this past Tuesday I looked, and did not find that quilt. I don't think we quilted that quilt and gave it to a homeless recipient. Ill keep a look out for this quilt, perhaps its hiding in my vast studio.

4. I have the project that I submitted as a project for 2010, (we took it off the website for copy write issues). I have re-written this pattern and made samples, both are on the website (or will be when its updated). I will have copies for the applique block at sat's meeting. Some showed interest in this project. We may end up pushing it into next year.

5. Sylvia, please note that Nishie and Barbara Loden will help you with the Aug, Meeting.

Scrappily Yours
