Happy Scrappers

Well its been one heck of a ride (2010), but let me just say IM GLAD ITS OVER with. The Happy Scrapper Christmas Party was a huge success. Carol's House was just WONDERFUL. So roomy and open. I hadn't realized that she retired when she moved into that house. How nice is that? And the sewing room was the best part. Of course I'm not partial. HA HA. Yall really surprised me (and embarrassed me) with the gift of the quilt. Its been washed and is extraordinary. If no one has any objections, I would like to bring it to the guild for show and tell. On to Bee Business.

1. This meeting will be hosted by Carolyn Slack, Pat, Ann, and Barbara Wallace. They will be feeding us gumbo. This means that members need to bring ONLY THEMSELVES to the meeting. The meeting will begin at 10:00. The meeting place will be at Pat's house in Sulphur. The directions that follow are actually for Carolyn Slacks home. Pat lives 2 houses before Carolyns on the same road. Here are Carolyn's Directions:

2. Due at this meeting:

- A. Red and Tan snow ball block hosted by Angel.
- B. Dues \$10.00. Please make checks payable to Carol Taylor.
- C. Envelopes for those that do not do email.
- D. Brown Bag project if you are participating.
- E. Suggestions for projects for the 2011 year.

3. I purchased a box of paper and will ask the Scrappers to reimburse me for that cost. Alto the scrappers do not use that whole box of paper, I do use a lot of ink on the printer for the printing of Non-emailers. Its probably been at least 2 years since my last request for reimnbursement for supplies. This will be brought up a the meeting for discussion.

4. Attached to this email will be the 2011 Roster. Please check for any mistakes. DO NOT print it out until I've made all the corrections. Ill holler at you when that has been done.

5. Please note the hostess line up for 2011. Notice that June has no hostess, Oct (Helen) needs a partner, and Nov (Mickey) needs a partner as well. Please check you Callander and see if you can help out.
