Sorry yall, you told me to order pretty weather, u didnt say nothing about the allergy stuff. HA HA. On to Bee Business

1. I have no notes from last months meeting (since I wasnt there), so lets wing it. Some reminders here. Row Quilts, and 2 gallon projects.

2. The Christmas party is set for Dec. Carol will tell us the details at the meeting.

3. This months meeting will hosted by Joyce and Mickey, at the Pine Forest Baptist Church in Vidor Texas. Joyce will provide cornbread and eating supplies, and Mickey is making 2 diff kinds of soup. So bring covered dishes to share . You may arrive as early at 9 am. We can bring machines to work on our OWN projects. **From either direction (Beaumont or Lousiana) take the 861 A exit FM 105 north. About 5 miles north on FM 105 north. Church is on the left. Go around back, the room we are using is connected to the gymnasium. You should see my Black Titan around back.**

4. Be on the look out for next years projects.

See yall at the meeting
