Happy Scrappers

Pat, thank you for allowing us to invade your home. Ann, Barbara and Carolyn thank you for hosting. It was wonderful. This month's meeting will be held at the Jefferson Airport in Nederland, February 9th at 9am-3pm. This will be a work day. Please bring a covered dish to share with everyone.

Hosted by Carol Taylor and Dawn.

1. The projects for the first 6 months have been added to the Happy Scrappers Website. I realize that the project Charmed I'm Sure is hard to read. We are working on it. If anyone has the book, please bring it to the Happy Scrapper meeting. 101 Fabulous Rotary Cut Quilts is the name of the book. If you want to work on this project please contact Me or Mickey for a copy. We will drop on in the mail for you.
2. The Santa quilt is finished. It turned out lovely. Ill try to remember to bring it to the meeting. Thank you to everyone that worked on.
3. The Scrapper Mission statement has been changed to reflect the changes discussed. Minimum of 2 projects expected from all members. The new statement is on the scrapper website. The hostess of each exchange will tell you how many blocks she will accept to count as a project.
4. Joyce Saia has been moved to the Emeritus (grouping) along with Nishie. We welcome Linda Talieferro.
