Happy Scrappers.

This months meeting is hosted by Caroly Slack, Laurell Shirley and Cathy Lempa. I dont have details at this time, but will send out a mass email when they let me know time, location and what they want us to do about food. The three that dont have email, I will call with those details. On to Bee Business.

1. The aprons will be ordered and embroderied with the Happy Scrapper name on them. The bill will be paid out of the Scrapper fund and as each member picks them up, you will pay the price. Even tho this is not a mandatory participation project, 30 aprons were ordered. YOU DO NOT have to buy one if you choose not to. What ever aprons are left over, I will hold on to for new members.
2. Box Project due at Christmas party, it was decided that you could have 2 selvage to selgave cuts instead of one. Min 22 inches lenghts. Remember that your box should be so full that not one more cut can be added to the box. It is suggested that we start now when we are cutting projects to go ahead and cut your 2 ½ inch cuts. It might even be a good idea to start filling your 2 inch box for the next year. This would certainly put you ahead of the game.
3. Update on Carol Taylors mom. She has been moved to rehab. And her right side has been compromised. She will get us an address so that we can send get well cards to her.
