

Happy Scrappers

May 2017

I hate that I missed last months meeting. I LOVE LOVE Brenda's home. So inviting. This months meeting will be at the library in Groves. June 10th, 11 am till 3. Hosted by Gayle, Shelly and Linda A. The girls are feeding us fajitas and all the fixins. They are asking that someone or a couple someones offer to make desserts. Please respond to all if you decide to do this.

1. There is nothing due this month. YIPPY
2. Helen Please have an update on the auction quilt. I have the leaves and some of the vines, I also have some blocks that have been turned in to me for this project. We need to have a work day to work on this quilt. As well as the BLOCK Challenge from the quilt show. Maybe we could have a combined work day on a Tuesday at the Groves library.
