

# Happy Scrapper February Newsletter

What a treat the last couple days have been after all the yucky weather we've been having. The sunshine feels so good. Hopefully, everyone who has been sick will be feeling better also.

Our next meeting is Saturday, February 10. Hostesses are Ruby and Dona. We will meet at the Groves library and share a potluck lunch.

Don't have any news. I'm guessing everyone is busy doing bindings, labels, and sleeves on show quilts. Bring them with you to work on if you need to. There are all those nice big tables to work on at the library.

Don't forget to bring a couple of your favorite exchange quilts for show and tell.

If you didn't pay your dues at Carolyn's last month, you can do it this month.

Sue and Lynne are host for May.

I'm looking forward to seeing all of you. You are some of my favorite people.

Happily yours,

Carol....
