

Happy Scrapper April Newsletter

I'm writing this today, an absolute blue bird day. Almost makes me want to work on the yard. Guess I'll just have to be happy sitting in the porch swing. I wish.

Next meeting is Saturday, April 12, Groves Library, 11:00. Winnie and Linda T are hosting. They are feeding us and we can help out by bringing dessert.

Thanks to Dona and Ruby for hosting last month.

We had 11 present at the March meeting. We agreed to an exchange hosted by Helen. I have "Snappy Square" in my notes, done in 30's reproduction prints. Helen will have details and instructions.

We also agreed to a challenge for the quilt show. Make anything using a panel. That's the only rule.

Bring show and tell.

Now, I have some sad news. We have received word that Cathy Lempa passed away. Her daughter posted on FB that there would be a memorial service later this month. We will let you know as soon as we know anything.

See you Saturday.

Happily yours,
Carol.....
