

Happy Scrapper May Newsletter

Another blue bird day. Isn't spring in SETX wonderful.

We had a good meeting in April. We welcomed a new member, Cathy Carnew. Those of you who do not know her will enjoy getting acquainted. She will fit right in with us. Welcome, Cathy.

Helen presented our next exchange, Snappy Squares. There will be two exchanges, the first in August. 30 blocks.

Helen, please bring more instructions in case someone who was not at the April meeting would like to participate. Thank you.

Our challenge quilts, a quilt made using a panel or panels, will be due for show and tell at the Christmas party. We plan to have a category at the show and have them judged.

We had a good show and tell. Those not in attendance missed a good time.

Our May 10 meeting will be hosted by Pat Mueschke at her home. 5215 LaPaix, Sulphur, LA. Arrive by 11:00. No need to bring any food as she is feeding us. If you have never been to Pat's house, she lives about two doors down from Carolyn's back door. And there is always GPS.

I think that's all. Hope to see you all. Please let us know if you do not plan to be there so Pat can have a good head count.

Happily yours,
Carol.....
