

Happy Scrapper September Newsletter

Hope everyone had a good Labor Day weekend. We vegged at our house. Do you think no white after Labor Day applies to us, here in the south?

Joann and Ann are hosting the September 13 meeting. We will be meeting at Pat Mueschke's house, 5215 La Prix, Sulphur, LA. Meeting time is 10:30. They will feed us soup and sandwiches and we will furnish desserts.

Our Christmas party is only three months away. If you haven't started your Christmas gift, you probably should get on it. Mine just needs to be wrapped (picture me doing a happy dance).

Bring show and tell and don't forget to reply yes or no so our hostesses can get a head count.

Happily yours,

Carol.....
