

Happy Scrapper September Newsletter

Hope everyone made it through the storm OK. Actually, the temperature dropped enough that I was able to do a project in the garage that I was having to put off until the weather cooled.

Next meeting is September 12, Groves library, 11 o'clock. We will be working on our purses for Africa. Bring your machine and all you need to make your purse. All the info is on our website.

We are going to order in pizza for lunch and we will need \$3 from each person. Barbara is our hostess for the day. I've not been able to get in touch with her (hope all is well) and I assume she will bring drinks, etc.

Sue has our cat blocks ready to be embroidered and will have them ready to distribute at the meeting. We will discuss a due date for them.

Our 6 1/2" square fabric exchange this month, September, is orange. 20 blocks, no more than four alike. October's color is pink.

Couple reminders: Secret Santa and Layer Cake quilts are due at our Christmas party.

If I've forgotten something, please let me know and I'll get it out to everyone.

Happily, yours,

Carol
