

Chicken Spaghetti

Submitted By: **PJ Broussard**

Place 2-3 chicken breast in a crockpot. Can be frozen

1 block softened cream cheese

1 can cream of chicken soup

1 packet of Good Season Italian Dressing mix

Mix above ingredients and pour over chicken breast. Cook 4-5 hours on low. Shred chicken.

Cook 16oz spaghetti. Drain. Add spaghetti to the chicken in the crockpot.

Serve and enjoy !

Note: If you double the recipe, DO NOT double the Italian packet it's too much.
