

Ice Box Cake

5 whole graham crackers

2 cartons of cool whip (I used one reg and one seasons delight french vanilla)

½ cup chopped chocolate

3 bananas (peeled and sliced)

spray a loaf pan with pam. Line the pa with plastic wrap. Spread a layer of cool whip on the bottom. Proceed layering as below:

cool whip (on the bottom)

graham crackers

cool whip

bananas

chocolate

Repeat all layers. Tap the pan so that it gets the air bubbles out. Cover with plastic wrap and freeze over night. (mine was in the freezer for only 4 hours so it really needs to be over night).
